Senator Maria Cantwell, Ranking Member  
Washington, DC

Dear Ada:

I would like to invite you to attend The Foundation for Nuclear Studies (FNS) Educational Staff Tour of the Vogtle Electric Generating Plant (Plant Vogtle) in Waynesboro, Georgia on Wednesday, April 12<sup>th</sup> and Thursday, April 13<sup>th</sup>, 2017. The tour will adhere to all federal ethics requirements.

The Foundation for Nuclear Studies, as a 501(c)(3) nonprofit organization, effectively promotes sound national policy on nuclear science and technology by providing information and educational opportunities for policymakers, their staffs and the general public.

This tour is a continuation of our programming series, which calls for discussing nuclear issues and analyzing the technical and practical issues associated with nuclear technologies and is structured to bring Congressional staffers together with nuclear industry experts and executives for the purposes of understanding key issues affecting energy policy. On Wednesday, April 12, FNS will host a working dinner with Plant Vogtle executives; and then Thursday, April 13<sup>th</sup>, FNS will sponsor a full day of educational briefings and examining the daily functions of Plant Vogtle. Items on the agenda will include presentations from the Plant Vogtle communications staff, along with visiting onsite facilities such as reactor units 1&2 and the construction sites of units 3&4.

FNS will cover costs relating to the trip, including airfare, hotel expenses and group meals. We are consulting with the relevant ethics committees to ensure compliance, and will provide paperwork for submission prior to the 30 day House and Senate Ethics deadline (Thursday, March 9<sup>th</sup>, 2017). Please respond to Charles Wadelington at [charles@helenmilby.com](mailto:charles@helenmilby.com) prior to Tuesday, February 28<sup>th</sup>, 2017 if you can attend.

Sincerely,

Helen Milby  
Executive Director
